Dear Mr. Robinson,

Thank you for your gift of \$2000.00. Your assistance in feeding the hungry is greatly appreciated. During these difficult economic times your help is even more needed and valued than ever. Please pass along our sincere thanks to everyone who made this donation possible.

In 2009, our donors allowed us to top the 400,000 pound mark in distribution. Since the beginning of the year we have paid the processing on an additional 100,000 pounds of meat. We have bills in hand for another 20,000 pounds and are working to raise the funds to pay these bills.

The generosity of Virginia hunters in responding to the need for food was tremendous. We have also been extremely touched by the response of our financial donors. Financial contributions were at their highest level this past year as well. It is impressive that this growth has been achieved in these uncertain economic times. The help we have received certainly speaks to the goodness and compassion of people. On behalf of all the people you have enabled us to provide wholesome lean meat, we extend to you our deepest thanks. Your caring and compassion for others is to be commended. Thank you.

We are working diligently to raise our budget for 2010. If you know of any individuals, churches, civic organizations or businesses that might like to have information on our hunger relief efforts, please provide us their contact information so that we might be in touch with them. The more of us that are working together, the greater impact we can have in meeting the increased need for services.

Again, thank you for your gift. May the kindness you have shown to others be returned to you many times over. We will keep you updated on our progress. Hopefully, with many of us working together we will be able to provide even more quality nutrition in 2010.

*Your help is greatly appreciated.*

Sincerely,

*Laura Newell-Furniss*  
Laura Newell-Furniss, Director
